

**EXPLORER LEVEL** Score: 5–8

# Explorer Action Plan

You're starting fresh. That's an advantage - no bad habits to unlearn.

THE ONE THING TO UNDERSTAND

“ Claude Code isn't a chatbot - it's a junior developer who reads everything before typing. ”

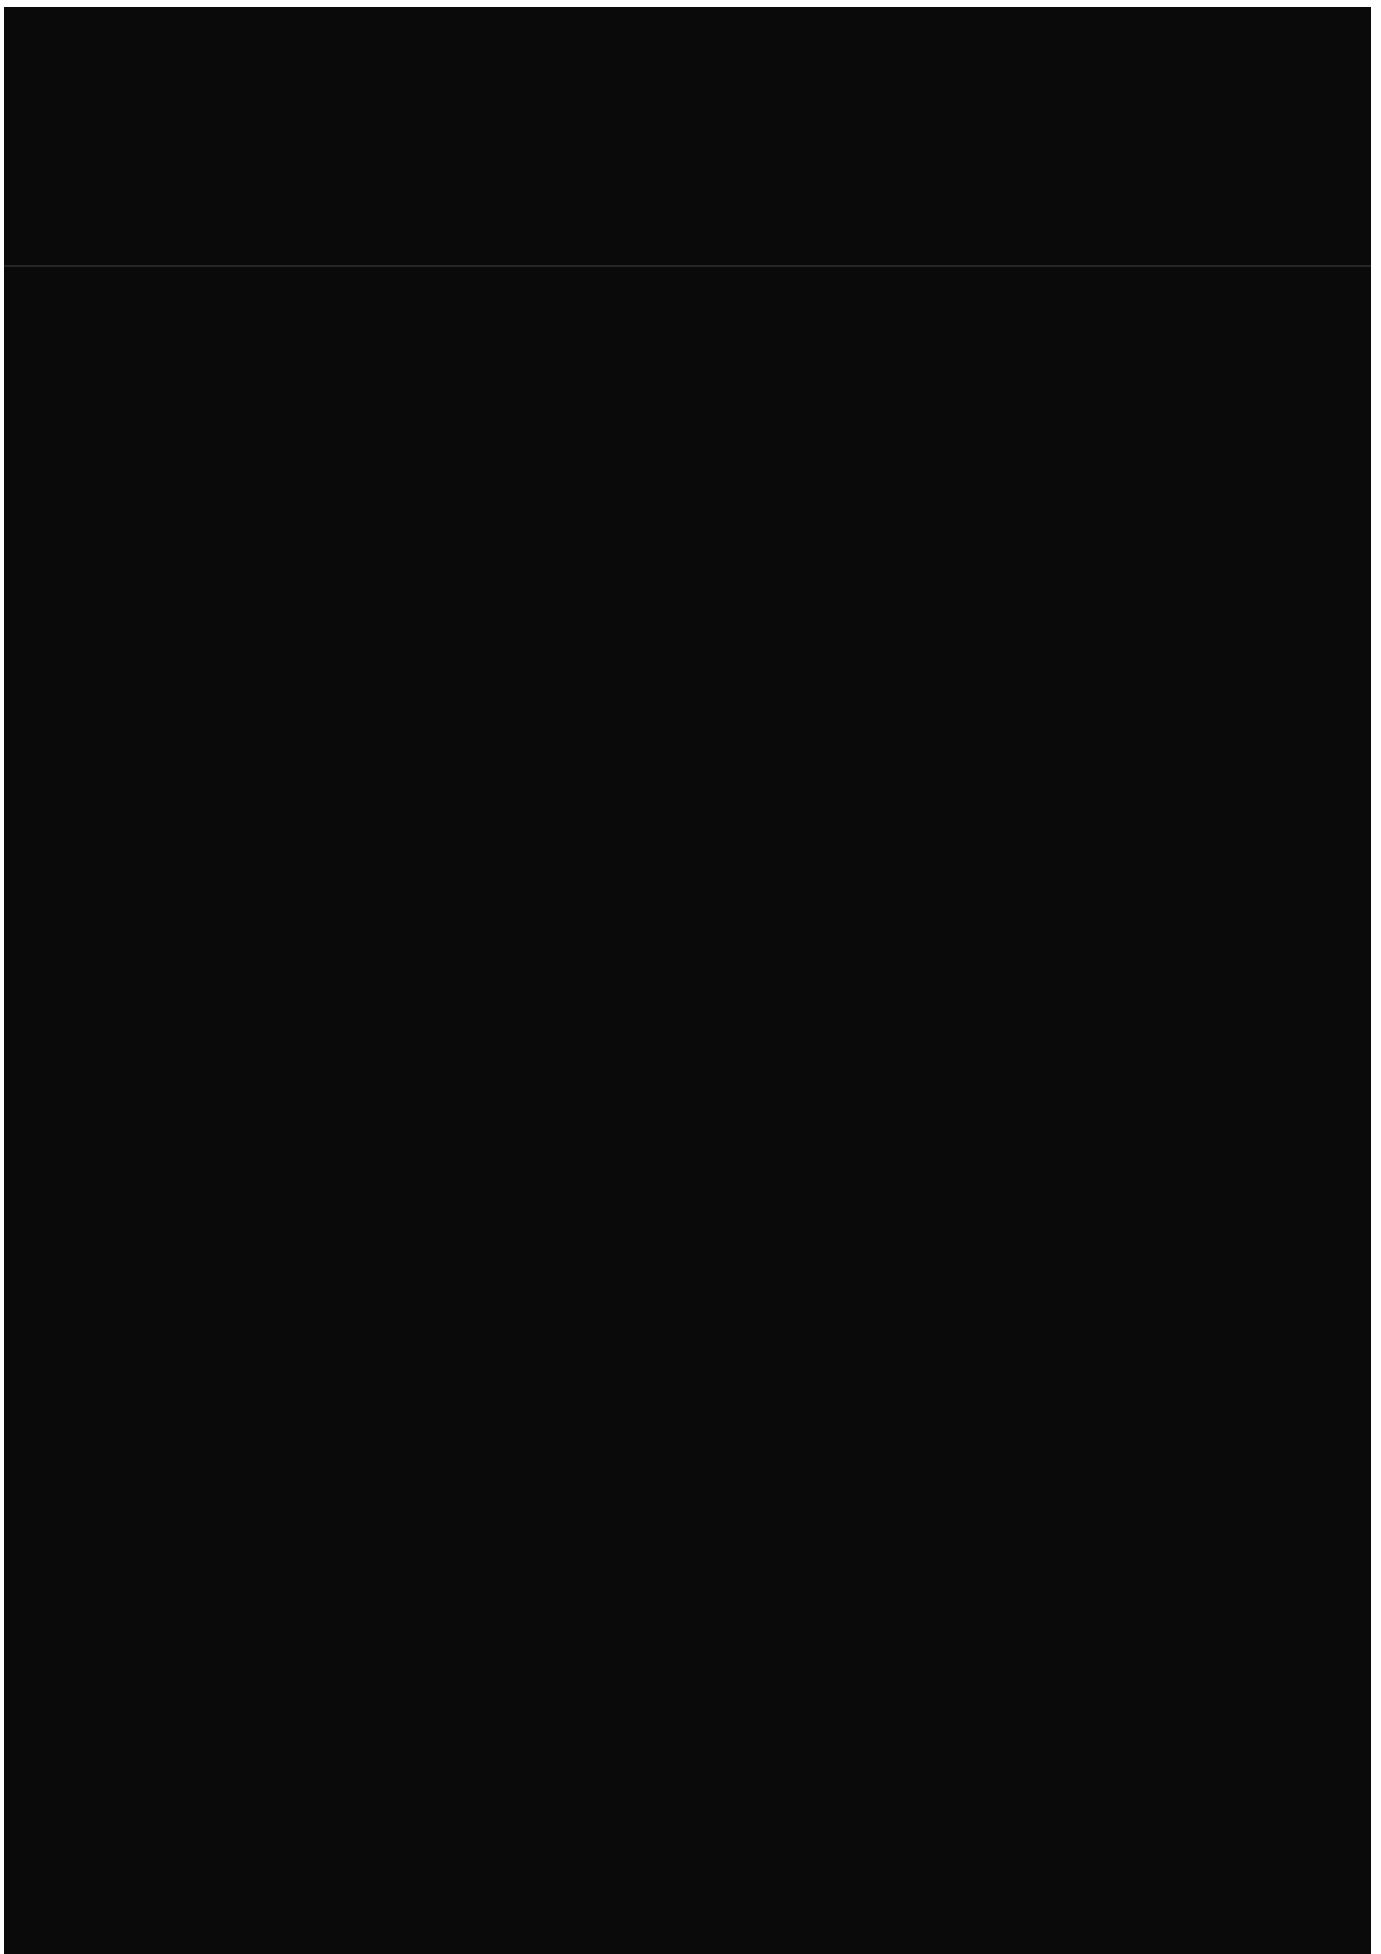

Don't do this

"How do I parse JSON in Node.js?"

Do this

"Parse data.json and extract all email addresses into a CSV"

## LEVEL UP CHECKLIST

You're Ready for Next Level When...

## Hit a Wall?

Most Explorers get stuck on context setup - Claude keeps forgetting your preferences.
