

ADOPTER LEVEL

Score: 9-13

## Adopter Action Plan

You use AI daily, but it's still ask-answer-copy-paste. Time to delegate.

THE ONE THING TO UNDERSTAND

**The shift from assistance to delegation is the shift from "help me with X" to "do X and show me the result."**

## Hit a Wall?

Most Adopters struggle with context rot (outdated CLAUDE.md) or over-trusting without verification.
